2020-2021 REPORT CARD

FOR ACCREDITED

LETTER FROM EXECUTIVE DIRECTOR

What does "A" stand for? Achievement. Accreditation. Awards. And, an Amazing year. Even with so many individual hardships and losses this past year, the Flance team came together to achieve so much. In educational terms, Flance has earned an "A" for all our accomplishments in the 2020-2021 school year.

Flance achieved academic accreditation, received two awards for our sustainability education programs, paid off our beautiful new building, and distributed nearly a ton of free, fresh food to our families weekly. Along with these amazing accomplishments, all eight of our graduating pre-K students met or exceeded expectations. Flance accomplished so much thanks to our dedicated staff and three full-time AmeriCorps VISTA volunteers.

While there haven't been many things to celebrate since March 2020, it has been a year of celebration for Flance. Our team achieved a new level of success by continuing to serve through the pandemic. Yet, it's our children and families that get the highest scores on this year's report card. Through quarantines and closings, Flance children kept learning, kept smiling, and kept reminding us why we MUST continue to invest in quality early childhood education programs.

Thanks to all of you who have believed in and invested in Flance. On the Flance report card, "F" doesn't stand for failure, it stands for the Future.

Sincerely,

Tami Timmer

AMERICORPS VISTA

Flance initiated the AmeriCorps VISTA program in August 2020, allowing us to expand our capacity to generate systemic change for children and families. During the 2020 – 2021 school year, Flance had three AmeriCorps VISTAs.

Kiara Fite,
Outcomes and Evaluation Specialist

Kim Daniel, Family Support Specialist

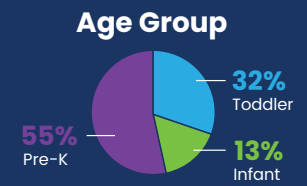

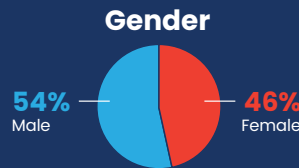

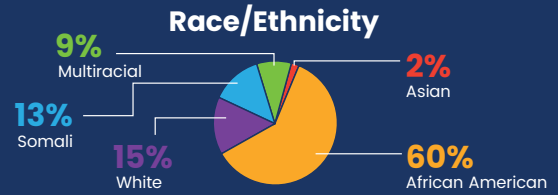

Erin McFarland, Sustainability Specialist

Our AmeriCorps VISTAs served over **2,960 hours** this school year

We're elated to announce that as of September 2021, Kiara transitioned to a full-time staff position at Flance. That's true capacity building!

SUSTAINABILITY

Flance is nationally recognized as a U.S. Department of Education Green Ribbon School. We are the only school in Missouri and one of only three early childhood centers in the country to receive this recognition. Thanks to our continued partnership with Urban Harvest STL and our AmeriCorps VISTA Sustainability Specialist position, we are able to provide outstanding garden and nutrition education.

THANK YOU FOR SUPPORTING THE CHILDREN OF FLANCE EARLY LEARNING CENTER!
